PUBLIC INFORMATION MEETING ADDRESSES DAVIS-MONTHAN LAND USE AND COMPATIBILITY ISSUES

Long term land use compatibility around Davis-Monthan AFB is the subject of a Public Informational

Meeting set for 5-7 p.m., Wednesday, July 9 at the Randolph Golf Course Clubhouse, 600 S. Alvernon

Way. The Arizona Department of Commerce (ADOC) and the Parsons Consultant Team will make a formal presentation at 5:30 p.m. Members of the public are encouraged to attend. Refreshments will be provided.

Representatives from Davis-Monthan Air Force Base, ADOC, Parsons, the City of Tucson, and Pima County will be available to discuss a variety of land use compatibility issues and solicit public comments. Information gathered at this meeting, and at another meeting to be scheduled in September, will be used to develop a Joint Land Use Study for Davis-Monthan Air Force Base. This multi-faceted plan will include specific recommendations for future development patterns within the "paddle" area and identify resolutions to land use compatibility issues. The Davis-Monthan Plan is the second component of the statewide Military Regional Compatibility Project. The Joint Land Use Study will be presented for Mayor and Council approval before the end of 2003.
